

PROFILE

My name is Ishant Singhal. I was born and raised in Princeton, NJ area. Currently, I am 8th grader going to Lawrence Middle School.

Previously, I had attended Ben Franklin Elementary School and Lawrence Intermediate School. In school, I want to do well in Math, ELA and Science. I love anything related to STEM, so my goal is to become an accomplished engineer in future. To achieve my goal, I want to get trained at educational institutions, such as The Lawrenceville School, MIT, Princeton, or Carnegie Mellon.

I love playing Golf, Tennis, Computer Games, and Chess. I have passion for computer programming and game development.
